Ownership of all images reproduced in this catalogue are that of the  
respective photographer. Neither the SPF, FIAP nor PSA assume any  
responsibility for any misuse of copyright by anyone.

The Scottish Photographic Federation are delighted to bring you the 95th Scottish International Salon of Photography.

We are very pleased to have patronage granted from FIAP, and PSA.

Once again we had nine selectors for our six sections. This included a panel of three Nature specialists who selected the Nature sections.

This year we received a total of 8891 entries with all sections up on last year; 5880 Projected Images and 3011 prints, the highest print entry we've had since introducing digital sections.

We had a good representation of entries from 56 countries, 52 of which I'm very pleased to say are represented in this year's Acceptances, and 26 countries feature in our Awards.

However, 53% came from the UK countries, with 2400 from Scotland alone. This particularly affected the print entries, and is reflected in the number of UK Acceptances and Awards.

Congratulations to all of the authors that have been successful this year, and also to the winners of the Best Club Awards.

Please come along to our Exhibition if you can to see all of the award winning Prints and PDIs and a large selection of this year's Acceptances. If you can't manage please visit our gallery area on our Salon website where you will find all of this year's Salon award winning photographs displayed in six galleries.

Look out for details of 2019 on our website or sign up for our Scottish Salon Newsletter, the e-Salon via the website, or join us on facebook for up to date information.

## AT THE JUDGING WEEKEND ...

### THE NATURE JUDGES...

**BILL HALL** AFIAP DPAGB ABPE has been a member of Rolls-Royce PS since 1982, and is currently their Chairman. Back then he was mainly a travel/people photographer, but after a trip to Kruger Park in 1990, he got hooked on nature photography. His love of landscapes has taken him to the 'wild' western parts of the USA, and Scotland. He became a judge around 20 years ago, and really enjoys selecting at Exhibitions around the UK. The week after this selection Bill retires from work, and moves to Cornwall, we wish him well!

**DUNCAN SK HILL** EFIAP/g MPAGB is a member of Doncaster CC and took up photography properly after taking early retirement. He achieved the DPAGB in 2007 and MPAGB in 2010, with slides of Sports and Nature. In 2007 he started entering FIAP competitions with DPI, achieving EFIAP/p in 2016. Duncan became a PAGB judge in 2015.

**IAN WHISTON** DPAGB EFIAP ABPE joined Mid-Cheshire CC in 1982. He is now their Chairman and competition secretary. He joined Crewe PS in 2001. Ian's main photographic interest is in Nature, especially the Big Cats of Africa. Ian is an LCPU Judge and Lecturer. As a PAGB Judge he has been a selector at several National and International Exhibitions. In 2007 he started on the photographic distinctions trail. His first achieved in April 2010, others have followed at regular intervals, all with Nature images. In 2015 he was the Scottish Salon Nature Photographer of the Year.

### THE OPEN JUDGES...

#### Colour PDI and Mono Prints

**ANNE GREINER** MPAGB is a member of Dumfries Camera Club. She was originally a darkroom worker before embracing digital and has a particular love of Monochrome printing. Anne will turn her hand to landscape and still life, but her main photographic interest lies in photo travel, recording the lives of ordinary people. She has judged many National and International Salons and is a frequent member of the judging panel which assesses the PAGB distinctions. Anne is a member of The London Salon. Her often quirky style has garnered a host of exhibition acceptances and awards.

**NIAMH WHITTY** HPF is a respected Judge and Lecturer both in Ireland and overseas, which has included several visits to Scotland! Niamh is best known for her unique approach to macro exploration of flowers, creating beautiful dreamscapes in the process, but she is also a full time professional and multi award winning photographer. She achieved her Fellowship of the IPF in 2011, and an ARPS in 2012. Niamh served for several years on the committee of the Cork International Salon, as well as on the Southern Associations of Camera Clubs and the Irish Photographic Federation (IPF).

**CHRISTINE WIDDALL** MPAGB FBPE EFIAP is a member of the Oldham Photographic Society and the L&CPU Executive Committee. As a judge, and a PernaJet supported lecturer, she has travelled widely in the UK and occasionally abroad. She has won many awards for her exhibition work. Christine has photographed just about every subject type, and loves creating images from her imagination. She very much enjoys helping other photographers to realise their dreams of achieving photographic accreditations and above all, she just loves looking at all styles of images, which makes Salon judging always such a pleasure.

### THE OPEN JUDGES...

#### Mono PDI and Colour Prints

**BILL POWER** HPF APFS EFIAP/b EPSA joined club photography in 2010 and rapidly progressed through the Irish distinctions system to become a Fellow in 2014, gaining ARPS and EFIAP/b in 2017 and EPSA in 2018. Bill entered his first Salon in 2013, and has judged several Salons across Europe and the UK. He won the 2016 Scottish Salon FIAP Blue Badge, and has over 300 international awards in over thirty countries as well as over 2,000 acceptances. Bill enjoys all forms of nature photography. By contrast, he also specialises in creative and contemporary digital photography, as well as fine art nude and portraiture.

**JOHN ROSS** DPAGB EFIAP/b lives in the Scottish Highlands. He has been a member of Inverness Camera Club for 17 years, serving on their committee for 10. He is an SPF Judge and Lecturer. John enjoys all types of photography but his main interest is anonymous landscapes. He entered his first International exhibition in 2005, since then there have been many highlights and awards. Since then he has enjoyed Judging several International Salons. John's passion is prints. 'Nothing is more rewarding that the finished mounted print in your hand. It is an honour to be invited to judge at this Scottish Salon' said John.

**TOM DODD** HPF DPAGB is from Blaenau Ffestiniog. Much of his photography is inextricably linked with landscape, travel, mountaineering and mountain flora. The consequence of which is a vast portfolio containing probably thousands of photographs taken over some 50 odd years, many of which were taken in a variety of wilderness locations. Tom has judged and lectured widely for over 50 years, and has Judged the Scottish Salon on several occasions. His passion for mountaineering has allowed him to climb and walk in the European Alps, Nepal, Norway and Greenland. But, it is his familiarity with Snowdonia where he still finds some of the most challenging and satisfying days out, especially during a 'proper' winter.

The Scottish Salon runs a competition for clubs or photographic groups in conjunction with the Salon's main individual competition and Exhibition.

Clubs, or groups, organising and submitting their author's entries together are automatically eligible for the Best Club Awards. The Club with the highest points total from outwith the UK, and within the UK outwith Scotland are both awarded an SPF Gold Medal, and the 'Octocentenary Trophy' is presented to the Best Scottish Club entry with the highest points total. Points are awarded as follows: 1 point for each print entered; 10 points for each print acceptance, and a further 2 points for an Individual Award.

Our congratulations go to 'Shangtuf Image and Art Club' for once again winning the 'SPF Gold Medal' for the Best Club from outwith the UK. They entered a total of 860 photos, gaining 214 Acceptances and 13 Awards, with a total of 3026 points an outstanding achievement!

The Best UK Club (Outwith Scotland) again went to Smethwick Photographic Society. They entered 151 photos, gained 69 Acceptances and 3 Awards.

Congratulations also goes to Edinburgh Photographic Society for winning the Best Scottish Club again this year, for which they receive the Octocentenary Trophy. They entered a total of 369 photos, gaining 92 Acceptances and 10 Awards, with a total of 1309 points - another great achievement!

A selection of the acceptances achieved by these three Clubs can be found within the Colour Section of this Catalogue on the pages headed 'Best Clubs'.

## ACKNOWLEDGEMENTS

Our thanks firstly to this year's Judges who had the task to select our exhibition from the mountain of photographs received, they did so with enthusiasm. This Exhibition is the culmination of all their deliberations! Sincere thanks also goes to Rachel and Ian Findlay, of Dumfries, for their continued web support. A huge thank you to the team of individuals who came along to help process all of your entries on the run up to, and over the Judging weekend.

We are very grateful for the continued support of Mossend Holy Family Church for the use of their hall for our Judging this year; to South Lanarkshire Leisure and Culture Services for the use of their premises again for this year's Exhibition. Special thanks to the team at the Torrance House Gallery, Calderglen Country Park - Please support their South Lanarkshire Photography Competition if you can!

Finally, thank you to all of you, the entrants, without whom we wouldn't have this Exhibition. Thank you for entering the 95th Scottish Salon. We look forward to seeing more of your photographs next year!
