Ownership of all images reproduced in this catalogue are that of the  
respective photographer. Neither the SPF, FIAP, PSA, GPU, PAGB or  
RPS assume any responsibility for any misuse of copyright by anyone.

The Scottish Photographic Federation are delighted to bring you the 94th Scottish International Salon of Photography.

We are very pleased to have patronage granted from FIAP, PSA, RPS, GPU and the PAGB.

Once again we had nine selectors for our six sections. This included a panel of three Nature specialists who selected the Nature sections.

This year we received a total of 7276 entries, down on last year, mainly due to a big drop in our entry from China. We received a total of 4995 Projected Images and, although prints were down slightly, we were very pleased to receive 2281 prints.

This year again saw a good representation of countries from which we received work, with entries from 53 countries. After Judging, I'm very pleased to say, that 50 of these countries are represented in this year's Acceptances, and 23 countries feature in our Awards.

However; over 64% of our total entry came from the UK Countries. This particularly affected the print entries, and is reflected in the number of UK Acceptances and Awards, particularly in the print sections.

Congratulations to all of the authors that have been successful this year, and also to the winners of the Best Club Awards.

Please come along to our Exhibition if you can to see all of the award winning Prints and PDIs and a large selection of this year's Acceptances. If you can't manage along please visit our gallery area on our Salon website where you will find all of this year's Salon award winning photographs displayed in six galleries.

Look out for details of 2018 on our website or sign up for our Scottish Salon Newsletter, the **e-Salon** via the website, or join us on facebook, for up to date information.

## AT THE JUDGING WEEKEND ...

## THE NATURE JUDGES...

**GORDON RAE** MPAGB from Lockerbie, is a member of Dumfries CC, and Junior Vice President of the SPF. He competes regularly at National and International level and has won a number of awards in recent years, including Scottish Salon Nature Photographer of the Year last year. He regularly gives talks and workshops and describes himself as simply just 'camera mad'. Gordon believes knowing the animal's behaviour is so crucial to wildlife photography.

**MARGARET SIXSMITH** EPSA EFIAP/p FBPE is a member of Hoyleake PS and is heavily involved with the Hoyleake International Exhibition. She is a keen naturalist being interested in all aspects of the natural world and has been photographing nature subjects now for many years. She has won many national and international awards. Margaret has also been a selector for many national and international competitions.

**NORBERT HEIL** MPSA EPSA EFIAP/b is a biologist (Dipl.Biol.), from Filderstadt, Germany, and a member of fotoclub filderstadt e.v. and DVF. His main photographic interests are nature documentary (plants, insects and landscapes) including macro and microscopy. He has been both PSA TOPS and Exhibition Standards director in PID since 2012. He is PSA liaison officer for Germany and has chaired many international exhibitions including the German International DVF-Photocup (GIP). He has judged in Germany, England, Italy, USA, France, Greece, and Bulgaria.

## THE OPEN JUDGES...

## Mono PDI and Colour Prints

**DIANNE OWEN** FRPS from Ainsdale, is a member of Chorley PS. She loves to see other people's work and share ideas and thoughts. As a PAGB listed judge, she has judged and lectured, and run workshops throughout UK and Ireland. "Photography is my passion, from the click of the button to exploring the image to add a little bit of me" Dianne is a regular exhibitor and has gained many acceptances and awards. She is currently the chairman of the SRGB Group, and the SRGB Print Celebration; an Annual National Exhibition (print only).

**PETER GENNARD** MFIAP EFIAP/p began his interest in photography as a teenager, but a visit to Smethwick International Exhibition in 1983 marked a turning point. He joined Smethwick PS and quickly became a prolific international exhibitor. Peter achieved AFIAP in 1987 and EFIAP in 1991. The pinnacle of his photographic career was gaining his MFIAP in 1993. He continued to build on his EFIAP distinction eventually achieving the EFIAP/platinum in 2000. To date, Peter has had 983 different pieces of work accepted in prints and projected images, gaining him 1,930 acceptances, 35% of which were gained in 39 different countries. From those acceptances he has gained 207 awards.

**ROBERT FULTON** MFIAP MPAGB BPE5\* is from Cumbernauld, and has been a member of Paisley Colour PC for 23 years. He has been an SPF Judge and Lecturer for many years and is also a member of the SPF. He previously held the post of their FIAP Liaison Officer. He enjoys all genres of photography, although he has been drawn more towards Landscapes. A prolific International Exhibitor for many years, he has gained many awards from all over the world including "Landscape Photographer of the Year 2011" and overall winner of the Al-Thani Grand Prix, in Qatar 2013.

## THE OPEN JUDGES...

## Colour PDI and Mono Prints

**GABRIEL O'SHAUGHNESSY** MFIAP FRPS FIFP EFIAP/b is a member of Dundalk PS, one of Ireland's premier clubs, and FIAP World Club champions in 2010. He was thrilled to have four images in their winning panel. For Gabriel photography is a means of self-expression, "an art form that allows us to portray reality and fantasy side by side". "I strive to portray a mood or feeling that goes beyond the image itself and connects with the viewer". He is a regular judge and lecturer to camera clubs and societies. Due to his success in FIAP and PSA competitions these include many international Salons in Ireland, UK, France, Qatar and Austria.

**LEIGH PRESTON** FRPS MPAGB APAGB EFIAP FIFP from Gloucester, is a member of Arena and the London Salon. Leigh's influences were L.S. Lowry, Atkinson Grimshaw and Bill Brandt, but also the environment that surrounded him. In 1977 he joined the Ordnance Survey PS. He has lectured and judged widely and sat on the RPS distinctions panels for nearly 25 years. "My working life was as a Cartographer and more recently in Education, teaching photography. I'm still a working photographer for my own satisfaction. I doubt I could give it up, even if I tried. I still print in the darkroom at times, although most of my output is digital now."

**AL BUNTIN** MPAGB ARPS is from Monifeith. Having worked as an artist in the UK and USA: a friend got Al more seriously involved in photography. He joined Dundee PS where he has been a member for over 30 years, having held various positions on their committee. He is an SPF Judge and Lecturer and has judged many national and international exhibitions over the years, and has gained numerous awards and acceptances for his creative images both home and abroad. "For a long time now my main interest has been in creative images, and most of my images come from 'street theatre' and 'festivals'".

The Scottish Salon runs a competition for clubs or photographic groups in conjunction with the Salon's main individual competition and Exhibition.

Clubs, or groups, organising and submitting their author's entries together are automatically eligible for the Best Club Awards. The Club with the highest points total from outwith the UK, and within the UK outwith Scotland are both awarded an SPF Gold Medal, and the 'Octocentenary Trophy' is presented to the Best Scottish Club entry with the highest points total.

Points are awarded as follows: 1 point for each print entered; 10 points for each print acceptance, and a further 2 points for an Individual Award.

Our congratulations go to 'The Photography Salon Society of Macao' for gaining the 'SPF Gold Medal' for the Best Club from outwith the UK. They entered a total of 57 photos, gaining 25 Acceptances and 1 Award and were 60 points ahead of 2nd placed Photographic Exhibitor's Association.

The Best UK Club (Outwith Scotland) again went to Smethwick Photographic Society. They entered 190 photos, gained 96 Acceptances and 14 Awards.

### ACKNOWLEDGEMENTS

Our thanks must firstly go to this year's Judges who had the task, over three days, to select our exhibition from the mountain of photographs, but did so with enthusiasm and good humour. This Exhibition is the culmination of all that hard work!

Sincere thanks also goes to Rachel and Ian Findlay, of Dumfries, for their continued support with our website.

A big thankyou must also go to the team of individuals who came along to help process all of your entries on the run up to, and over the Judging weekend.

Thanks to the Larkhall Community Centre for the use of their hall for our Judging this year.

We are very grateful for the continued support of South Lanarkshire Leisure and Culture Services who have allowed us the use of their premises again for this year's Exhibition. Thanks must also go to the team at the Torrance House Gallery, Calderglen Country Park - Please support their South Lanarkshire Photographic Competition if you can!

Finally, a thank you to all of you, the entrants, without whom we wouldn't have this Exhibition. Thank you for supporting the 94th Scottish Salon. We look forward to seeing more of your photographs next year!

The Royal Photographic Society has awarded  
patronage to the organisers of this International  
Exhibition of Photography. In recognition of this,  
Royal Photographic Society medals are awarded.

The Royal Photographic Society is the world's foremost  
photographic society. It was founded in 1853 to promote  
the art and science of photography and has a worldwide  
membership. The Society's aims are realised through  
the organisation of over 300 events a year, workshops  
and courses, international exhibitions and The Society's  
distinctions and qualifications, which are internationally  
recognised as measures of excellence in photography.
