2014/139

The Scottish Photographic Federation are delighted to bring you the 91st Scottish International Salon of Photography.

Our hope was to introduce 'Digital' sections for 2014, but it was not possible to get everything up and running as we would have wished so we again ran a 'Print Only' Salon.

Last year we received a record print entry of 4,500. This year we didn't quite reach that quantity, but thanks to your support we received a total of 3543 prints.

All three sections were again well supported, with 1537 Colour, 1302 Mono and 704 Nature prints being entered by 466 authors, from 36 countries.

A variety of those countries were well represented in both the Mono and Colour Acceptances and the Awards. However, a significant number of the Nature Acceptances and Awards went to the UK, with Scottish authors doing extremely well.

Congratulations to all of the authors that have been successful this year. Also to the winners of the Best Club Awards, particularly to Shangtuf Image and Art Club as Best International Club.

This Exhibition sees us return to South Lanarkshire, but to a new venue for us at East Kilbride. We are indebted to the staff at Calderglen Country Park, for accomodating us after we were let down very last minute by our proposed gallery for 2014.

What next? For 2015 we are adding two Digital Sections to our three Print Sections. ('Open Digital' & 'Nature Digital') with digital upload facilities on our website. We hope to have FIAP and PSA approval for all five sections. For the Nature Print and Digital Sections we will have a panel of three specialist Nature Selectors.

Look out for details on our website or sign up for our Scottish Salon Newsletter, the e-Salon, also via the website, for up to date information.

THE SELECTORS

All three of this year's Selectors have a wealth of experience in Judging and Lecturing, as well as being successful International exhibitors, gaining numerous awards.

ROD WHEELANS is a prolific exhibitor and award winner in four different decades since his first Scottish Salon acceptance in the 1980s. He has been a member of the SPF Executive for more than 25 years and is a former SPF President, and a past Scottish Salon Chairman. Rod has served on the PAGB Executive since 1990 including as President. He is Chairman of the PAGB Awards for Photographic Merit. A past member of the RPS Associate and Fellowship Panels for Visual Art and Photo Travel, he is currently on the Professional & Applied Panel.

MICHAEL O'SULLIVAN is an experienced photographer in both the amateur and professional arenas, produces Landscape, fashion, commercial and portrait work, but is best known for his personal work, which may be described as "Fantasy themed conceptual art". He is incoming president of the Irish Photographic Federation, and a member of their distinctions panel. He has judged competitions as far afield as Canada. Michael is the Chairman and co-founder of the Cork International Salon of Photography.

TOM DODD's photography over the years has included both mono and colour darkroom work. He now works entirely in the digital world, but with a relatively unchanged style. As a mountaineer and climber of some 50 years, he tries to evoke something of the atmosphere and emotion experienced, in his photography.

THEIR COMMENTS...

BEST MONOCHROME - ISLAND GIRL

The simplicity of this composition allows the viewer to enjoy the natural pose of the 'Girl' to the full. A compelling journalistic portrait with superb monochrome qualities.

BEST COLOUR - REDEMPTION

An exciting picture, beautifully balanced and immaculately delivered. Difficult picture to overlook.

BEST NATURE - OSPREY FISHING IN EVENING LIGHT

We see a lot of Osprey images but this one is slightly different. It's not clearly a successful fish grab or a feeding shot, but it captures a lot about the bird itself. The position of the wings, the mechanics and articulation of the skeletal joints and the feathers. Unaware of the photographer, we are treated to a sneak peek into the Osprey's world.

ROD WHEELANS

FRPS, MFIAP, MPAGB, FIPF SCOTLAND

It is wonderful that the Scottish Salon has returned after its short holiday and how brave to choose prints before PDI. The other judges were great company, even when they didn't agree with me, and the high quality of entries meant that some may have lower scores than they might have hoped for. The organisation is always efficient and friendly with a feeling of relaxed passion.

SNOWY OWL GLIDING

White on white perfectly captured. I love the sense that the bird is about to pirouette on one

AT THE JUDGING...

wing whilst carefully eyeing the photographer.

PERCHED

OK, it's a created picture rather than something seen but the technique is good and there is a sense of a mystery to be unravelled.

CORPS DE BALLET

For me photography is about having fun and when technical skill and humour are combined, what's not to like? Now that I know who the photographer is I suspect an element of self portraiture!

MICHAEL O'SULLIVAN FRPS, FIPF IRELAND

I would like to thank you for the invitation to judge the Scottish Salon this year. Apart from the fact that it was an honour to be asked, it was a really enjoyable weekend. You and your team could not have done any more to make it more enjoyable, and the other judges were also great fun to work with. Congratulations on what was an extremely well done event!

OSPREY WITH TROUT

The angle and composition of the shot is spot on. The eyes are razor sharp and the moment is captured with great technical skill. It is also just above the bank-line which adds to its pictorial value as well for me.

THE KEEPER'S WIFE

A lot of the time we construct images because they work pictorially. This image takes things a step further. The author has deliberately combined and arranged elements to map out a narrative for us, and has frozen it in time for us to revisit over and over.

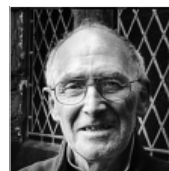

INTO THE LIGHT

This image sums up a lot of what creative image making should be about. As a composition it is

very strong, with strong framing. The strong contrast of the black cloak against the bright distance creates a heightened tension and a brooding drama accentuated by the billowing clouds. The fact that we only see the figure from behind, and we want to know where she is going, makes us think. Brilliant!

TOM DODD FRPS, FIPF WALES

The whole weekend of judging was very enjoyable, but also challenging. The general standard was reasonably high, as expected. With some 3500 prints to view it could easily have been a somewhat daunting task, but the easy going nature and experience of the other judges made for a memorable assessment. Additionally, the friendliness and 'jollity' of the organising members contributed to a relaxed approach. I wish more salon selections could be similar!

HERON AT WATERFALL

An extremely simple image with no distractions from the main subject and enhanced by a wonderful 'pictorial' element. Print quality is very good, but the main strength is the Heron in its environment.

THE LIGHT OF DAWN

Lighting, arrangement, angle of view make this an outstanding landscape. The softness is unusual in this mountain environment - wish I had been there!

TURKISH SALESMAN

What impressed me about this image was the salesman in his working environment, surrounded by all that he sells. Also, excellent monochrome print quality

ACKNOWLEDGEMENTS

Our thanks must firstly go to this year's Judges who had the task, over three days, to select our exhibition from the mountain of prints, but did so with enthusiasm and good humour. This Exhibition is the culmination of all that hard work!

Sincere thanks also goes to Rachel and Ian Findlay, of Dumfries, for their continued support with our website.

Thanks must also go to the team of individuals who came along to help process all of your entries on the run up to, and over the Judging weekend, - Sincere thanks to you all.

Thanks to the Holy Family Church, Mossend for the use of their hall for our Judging again this year.

Thanks must also go to our advertisers who have supported us this year, without whom our job would be so much harder.

A huge thank you must go to South Lanarkshire Leisure and Culture Services, and in particular Stephen Farquhar for the use of the Torrance House Gallery at Calderglen Country Park - Please support their **South Lanarkshire Photography Competition** if you can!

Finally, a thank you to all of you, the entrants, without whom we wouldn't have this Exhibition. Thank you for supporting the 91st Scottish Salon. We look forward to seeing more of your photographs next year!

The Scottish Salon runs a competition for clubs or photographic groups in conjunction with the Salon's main individual competition and Exhibition.

Clubs, or groups, organising and submitting their author's entries together are eligible for the Best Club Awards. The club with the highest points total from outwith Scotland is awarded an SPF Gold Medal, and the 'Dumfries Octocentenary Trophy' will be presented to the Best Scottish Club entry with the highest points total.

Points are awarded as follows: 1 point for each print entered; 10 points for each print acceptance, and a further 2 points for an Individual Award.

Our congratulations to 'Shangtuf Image and Art Club' from China for gaining the 'SPF Gold Medal' for the Best Club from outwith Scotland. They entered a total of 260 Prints, gaining 60 Acceptances and 2 Awards, quite an achievement!

Congratulations also go to Carluke Camera Club for winning the Best Scottish Club for which they are presented with the Dumfries Octocentenary Trophy. They entered a total of 97 Prints, gaining 36 Acceptances and 2 Awards.
