Ownership of all images reproduced in this catalogue are that of the
respective photographer. Neither the SPF, FIAP, PSA, GPU, PAGB or
RPS assume any responsibility for any misuse of copyright by anyone.

The Scottish Photographic Federation are delighted to bring you the 93rd Scottish International Salon of Photography.

After running last year with FIAP and PSA, RPS and PAGB patronage, we added patronage from GPU (Global Photographers Union) giving us even more medals and awards to present.

Once again we had nine Judges for our six sections. This included a panel of three Nature specialist Judges who selected the Nature Print and PDI sections.

This year we were again to receive a record number of entries. We received a total of 6812 Projected Images, up on last year, but although the prints were down slightly, were very pleased to receive a good entry with 2607 prints. Proportionately more prints were received from the UK and China than elsewhere.

This year also saw a good representation in the number of countries that we received work from, with 56 Countries represented, and after the Judging, I'm very pleased to say that 55 of these countries are represented in this year's Acceptances.

Congratulations to all of the authors that have been successful this year, and also to the winners of the Best Club Awards, particularly to Shangtuf Image and Art Club who have won for the fourth year running.

Please come along to our Exhibition where you can see all of the award winning Prints and PDIs and a large selection of this year's Acceptances. If you can't manage along please visit our gallery area on our Salon website where you will find all of this year's award winning photographs displayed in six galleries.

The Scottish Salon also has a facebook site which proved useful to entrants and the Salon alike. We would love to see you post your photos that have been successful this year.

Look out for details of 2017 on our website or sign up for our Scottish Salon Newsletter, the **e-Salon** via the website, or join us on facebook, for up to date information.

AT THE JUDGING WEEKEND ...

THE NATURE JUDGES...

PAUL KEENE MFIAP FRPS EFIAP/p MPAGB from Amersham, has been involved in photography for nearly 50 years. Beginning with a desire to record wildlife, his subject range soon expanded to include landscape, travel, portraiture, creative, and street photography. Paul has judged many regional, national, and international exhibitions. A very active international exhibitor with over 700 acceptances in 25 countries in the last year alone; Paul won the 2015 Scottish Salon FIAP Blue Badge.

IAN WHISTON AFIAP DPAGB BPE4* from Cheshire became interested in photography in the 70's. "I have always enjoyed the Natural World hence my main photographic interest is in the Nature field, especially the Big Cats of Africa. I have been fortunate to visit East Africa 14 times, I do enjoy speaking to camera clubs on my experiences of safari photography and its pitfalls" said Ian. He is a prolific National and International Exhibitor.

MICK DURHAM MFIAP FRPS EFIAP from Dumfries, has been a wildlife photographer for over thirty years, learning most of his skills in North Wales before moving to Scotland 20 years ago. He loves travelling abroad for photography - and in particular to Arctic Scandinavia. "Otters are one of my favourite subjects and I have spent hundreds of hours photographing them in Shetland and along the west coast of Scotland" said Mick. Currently he is President of Dumfries CC for the 2nd time.

THE OPEN JUDGES...

Mono PDI and Colour Prints

TERRY DONNELLY FRPS EFIAP MPAGB FBPE from Chorley. In 2006 started supplying photography to the construction industry. This led to him seeking formal qualifications and distinction awards, gaining RPS, BPE, FIAP and PAGB awards. He has continued to be a very prolific exhibitor. To date Terry has achieved 9 FIAP Blue Badge Awards and 142 other Awards (inc 115 medals) from 699 acceptances in Salons having FIAP Patronage. "I am a firm believer in putting back the help I have received myself along the way".

DES CLINTON FRPS MFIAP FIPF is from Drogheda in Ireland. A London Salon member and recipient of the RPS's Fenton Medal in 2012, he has been on the Distinction's panels of the RPS and the Irish Photographic Federation for over 10 years. Des has photographed his native Ireland both North and South extensively for forty years documenting the people, the landscape, culture, wildlife, religious events and the troubles. Recently he has managed to spread his wings and visit places he always only dreamed of visiting. His images of Eastern Europe are iconic and thought provoking.

SIMON ALLEN EFIAP MPAGB APAGB is from Annan, and has been a member and secretary of Dumfries CC for many years. A past member of the SPF Executive, he has been involved in the running of the Scottish Salon on 3 occasions when Dumfries hosted it. Simon is a prolific Judge and exhibitor, entering his first International in '86. "I enjoy photography of all genres but have probably been most successful with landscape, creative and portrait images. I have greatly enjoyed being involved at club, national and international levels for over twenty five years".

THE OPEN JUDGES...

Colour PDI and Mono Prints

PETER PATERSON MFIAP FRPS MPAGB is from Tullibody. Peter's main subject interests are Landscape, Still Life and Abstract, both in colour and mono using Nikon Digital Cameras. He is a member of Edinburgh Photographic Society and the Scottish Photographic Federation of which he is a past President, and exhibits his photographs nationally and internationally. He currently serves on the 'L', 'A' and 'F' RPS Distinction Panels and chairs the Pictorial and Creative Panels. "I get great pleasure from sharing my photo technique with others through my talks to Camera Clubs and Societies".

PAUL STANLEY FIPF EFIAP/b ESFIAP from Dublin, has been an active member of the Dublin Camera Club for many years and has twice been President. Paul is also a committee member of the Irish Photographic Federation and is currently the FIAP Liaison Officer for Ireland. In November 2014 Paul was awarded his Fellowship of the Irish Photographic Federation based on a panel of Photo Travel images taken in India and processed in the traditional wet darkroom. Paul is a keen exhibitor in International Salons.

TONY POTTER GMPA ARPS EFIAP/p APAGB from Cumbria, a founder member of the West Cumbria Photo Group. He helped set up the Great British Small Print Circuit and the Solway Salon. He still organises the Great British Small Print Circuit as its Chairman. All aspects of photography interest him and he enjoys looking at other people's pictures. Tony works with both the RPS, as a member of their LRPS panels, and with the PSA in various ways both nationally and internationally, and has judged international salons throughout Europe, USA and China. "The most important thing is that I still enjoy taking pictures".

ACKNOWLEDGEMENTS

Our thanks must firstly go to this year's Judges who had the task, over three days, to select our exhibition from the mountain of prints, but did so with enthusiasm and good humour. This Exhibition is the culmination of all that hard work!

Sincere thanks also goes to Rachel and Ian Findlay of Dumfries, for their continued support with our website, and to the Holy Family Church, Mossend for the use of their hall for our Judging again this year.

A big thank you must also go to the team of individuals who came along to help process all of your entries on the run up to, and over the Judging weekend.

We are very grateful to the continued support also of South Lanarkshire Leisure and Culture Services who have allowed us the use of their premises again for this year's Exhibition. Thanks must also go to the team at the Torrance House Gallery, Calderglen Country Park - Please support their South Lanarkshire Photography Competition if you can!

Finally, thanks go to all the entrants for supporting the 93rd Scottish Salon, without whom we wouldn't have this Exhibition.

We look forward to seeing more of your photographs next year!
