Welcome to the **e-salon** newsletter of the Scottish Salon

The Scottish Salon is one of the oldest in the world, and is organised by the Scottish Photographic Federation. It is the only International Print and Projected Digital Image Salon to be hosted in Scotland. This year it is bigger and better than ever with SIX sections - 3 Projected Digital Image Sections and 3 Print sections. **Our website is NOW OPEN for Online Entry.** [A Gallery containing all six sections of last year's awards](#) is on our website in the Results area along with a copy of last year's catalogue to download.

A total of Nine different Judges will select this year's successful photographs, this includes a panel of Nature specialist Judges. This year we are again pleased to have been granted patronage from FIAP, PSA, RPS, PAGB and GPU (Global Photographers Union formerly UPI). Medals and Ribbons will be presented from all these organisations as well as our own SPF medals. We look forward to seeing your entries.
